

Social Welfare Corporation / Shojinkai / Food Bank Business / Aiainet

Concept:

- We work for the community to ensure everyone can live with dignity and security. Our goal is to foster relationships through providing sufficient food and support to those in need within the community.
- To protect the community through economical use of resources in the spirit of “Mottainai”.
“Mottainai” means “to not be wasteful”.
- To contribute to a higher standard of living within the community.

Food Bank

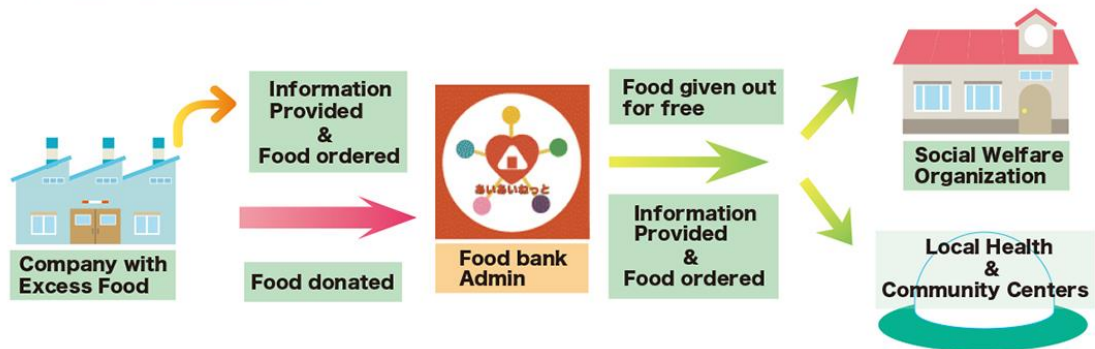

We receive donations from food-related companies.

These donations are quality food items that can't be sold in the regular market.

After checking the food items are distributed to social welfare organizations and to individuals. In addition we also receive food through Food Drive.

Food Drive is a program that collects excess food from homes , schools and offices.

System of Food bank

Examples:

1. Rice, bread.
2. Off-cuts of precut veggies , non-standard veggies.
3. Seasonings, dry foods.
4. Snacks, food stock, drinks etc.

※We accept individual requests for different kinds of food when possible.

Food items change regularly.
