

## Social welfare corporation / Syoujinkai / Food Bank Center / aiainet

### Action concept :

- We work for the community where everyone can live in dignity and security. Our goal is to make relationships through sufficiency of food and support to life in the community.
- To protect the community environment through economical use of resources in the spirit of “Mottainai”. Mottainai means wasteful.
- To contribute to affluent town development.

### Food Bank

We receive donations from food-related companies.

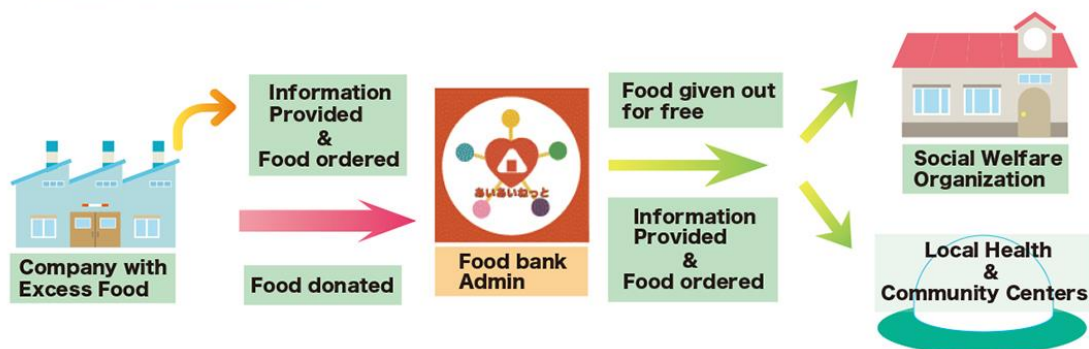

Those can't be put in the market in spite of food quality assured.

After checks food is distributed to social welfare organizations and individuals.

In addition we receive food through Food Drive.

Food Drive is a program that collects extra food from homes , schools and offices.
